#	RESPONSES	DATE
1	Glendale has allowed my neighborhood of small charming cottages to be transformed into a neighborhood of homes of incompatible styles and sizes, destroying its original charm.	10/13/2023 4:42 PM
2	Houses getting too big and water issues as a result of the displacement.	9/27/2023 6:15 PM
3	The large new homes have changed the landscape of the community	9/27/2023 6:11 PM
4	Street repairs made a few years ago are now worse. No information publicized re: insecticide spraying including types, times and health risks to people and pets...along with the elimination of pollinators, birds, etc.	8/25/2023 6:35 PM
5	Roads are worse. Construction is worse. Traffic is worse.	8/14/2023 9:02 AM
6	We need to keep Glendale from the issues affecting Kirkwood with all the new builds/"remodels" designed to hold half that amount of house on the land.	8/14/2023 5:58 AM
7	Infill housing seems to have brought in neighbors who think laws are for someone else.	8/13/2023 10:25 PM
8	Too many tear downs with monster houses	8/13/2023 12:50 PM
9	Took away green space for north Glendale and gave them park money when we can use because of school schedule and summer camp schedule. Tore down small houses for Macmansions	8/12/2023 7:36 PM
10	The expansion of North Glendale has made our neighborhood worse. There is zero consideration for neighbors. We have been here almost 16 years and it has gotten worse. The tearing down of houses and the building these hives houses on small lots is out of control.	8/12/2023 7:24 PM
11	Roads are nothing but a series of pot holes	8/11/2023 2:07 PM
12	Streets are horrible. I have grandchildren and can't safely walk on Venneman with a stroller because we have to walk down the middle to avoid so many potholes.	8/11/2023 9:23 AM
13	Road & sidewalk- if I go walking on sidewalks. They are hazards. Broken or not level because of trees or ground shifting. Streets - lots of potholes or damaged areas. Lots of patchwork fixes that are bumpy. Drive horrible and look horrible.	8/11/2023 7:23 AM
14	Cars allowed to park on streets after midnight - we loved this rule when enforced	8/11/2023 5:57 AM
