

## **2026 Street and Infrastructure Improvement Projects**

The map above highlights the locations and types of street-related activities planned for the 2026 construction season. Project details are outlined below:

---

### **Pavement Maintenance**

The following streets are scheduled for pavement crack sealing and seal coating:

- Berry Oaks Lane
- Flower Hill Drive
- Flower Hill Court
- Chain Ridge Road
- Elmwood Drive
- Clif Side Drive
- Clif Side Court
- Grammercy Place
- Devon Road
- Algonquin Estates Road
- 1200 block of Glenvista Place

*Note: Some of this work may be postponed due to its proximity to the North Berry Road water main replacement project.*

---

### **Street Reconstructions**

The following streets will be fully reconstructed, including new concrete curbing and a new street surface:

- Hill Drive
- Armstrong Drive
- Northarm Drive
- Southarm Drive

- Halcyon Drive
  - Greenview Drive
  - 700 block of Glenvista Place
- 

### **Preservation Project**

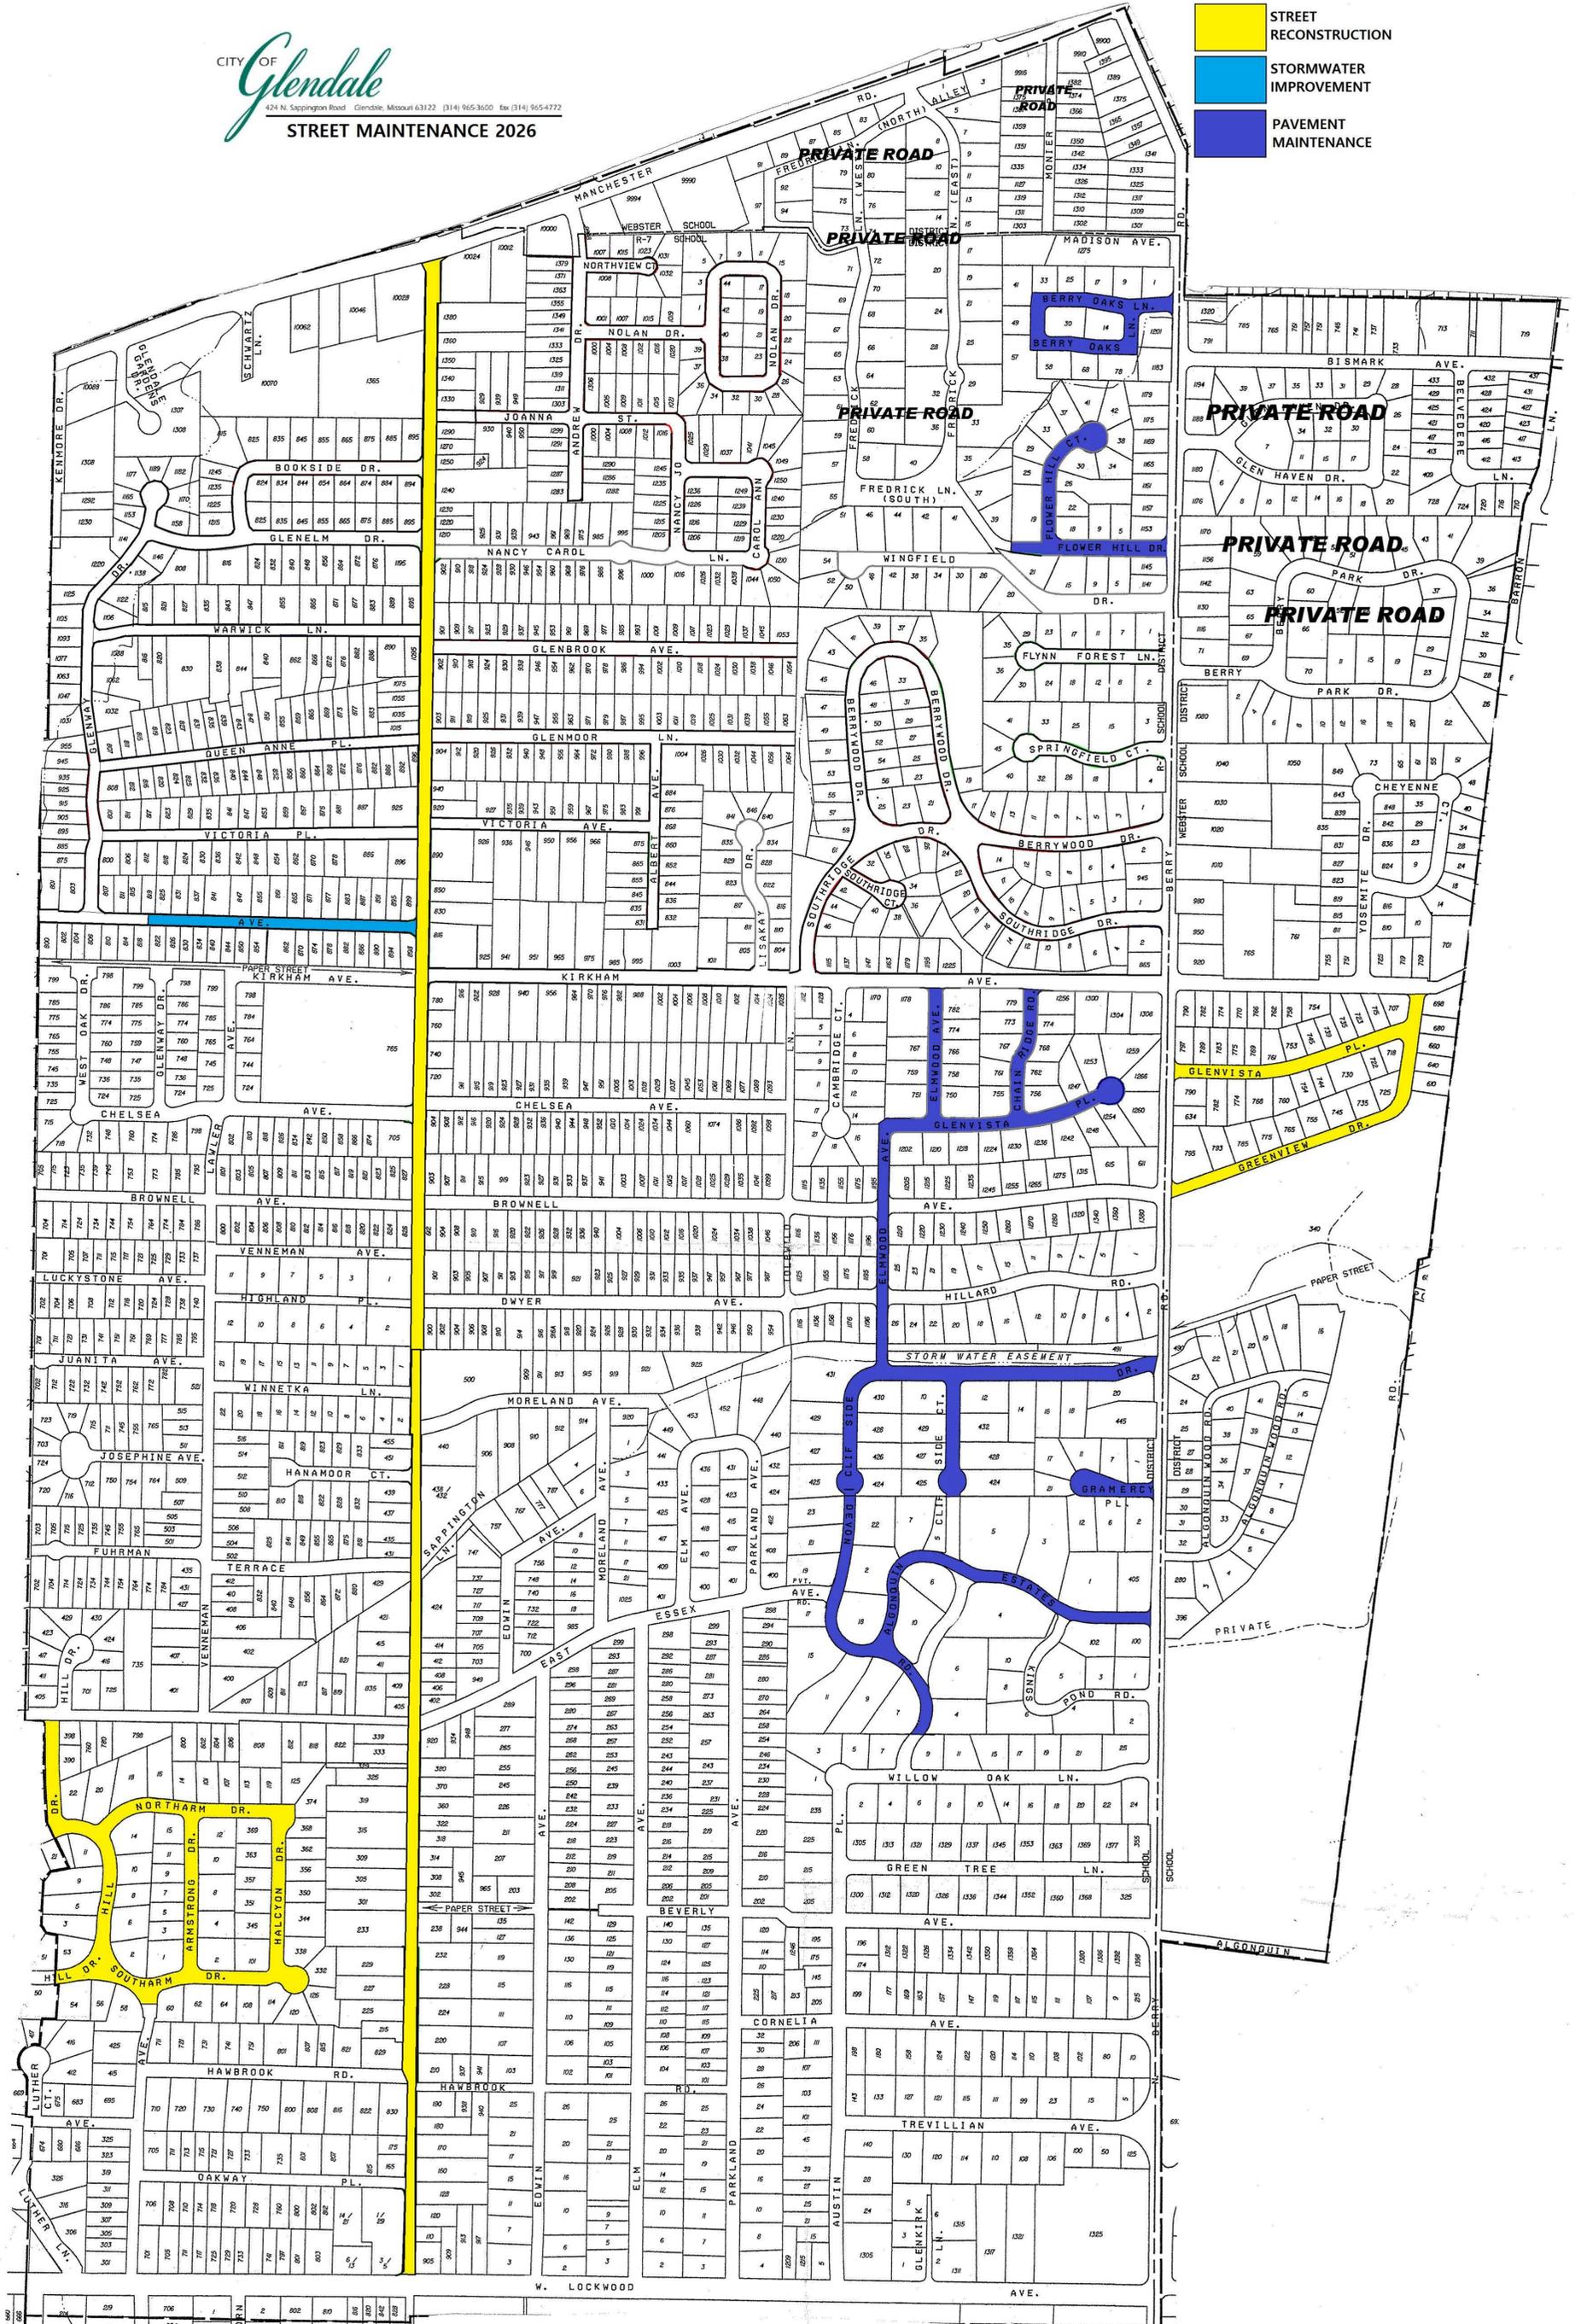

N. Sappington Rd will receive:

- As needed removal and replacement of broken and deteriorated concrete curbing and sidewalk sections. Not all sidewalks and curbing will be replaced.
  - Replacement of all ADA sidewalk ramps at intersections with connecting streets to meet current ADA requirements.
  - Replacement of all decorative concrete crosswalks.
  - Installation of pedestrian activated push-to-cross traffic signals at key locations.
  - Pavement milling and asphalt overlay.
- 

### **Stormwater Improvements**

- Installation of new stormwater inlets and drainage pipes along Alexandra Avenue.

- STREET RECONSTRUCTION
- STORMWATER IMPROVEMENT
- PAVEMENT MAINTENANCE
