

2027 Street and Infrastructure Improvement Projects

The map above highlights the locations and types of street-related activities planned for the 2027 construction season. Project details are outlined below:

Pavement Maintenance

The following streets are scheduled for pavement crack sealing and seal coating:

- West Oak Drive
 - Chelsea Avenue
 - Cambridge Court
 - 700 block of Glenway Drive
 - 700 block of Venneman Avenue
 - Kirkham Ave – will also include new pavement striping
-

Street Reconstructions

The following streets will be fully reconstructed, including new concrete curbing and a new street surface:

- Park Avenue
 - Hawbrook Avenue
 - Luther Lane
 - 900 block of Beverly Avenue
 - Oakway Place – will also include sidewalk reconstruction on the north and south sides of the street
-

Street Slab Replacements

Broken, uneven, and deteriorated concrete street slabs will be replaced along portions of:

- Glendale Gardens Drive
 - Flynn Forrest Drive
-

Stormwater Improvements

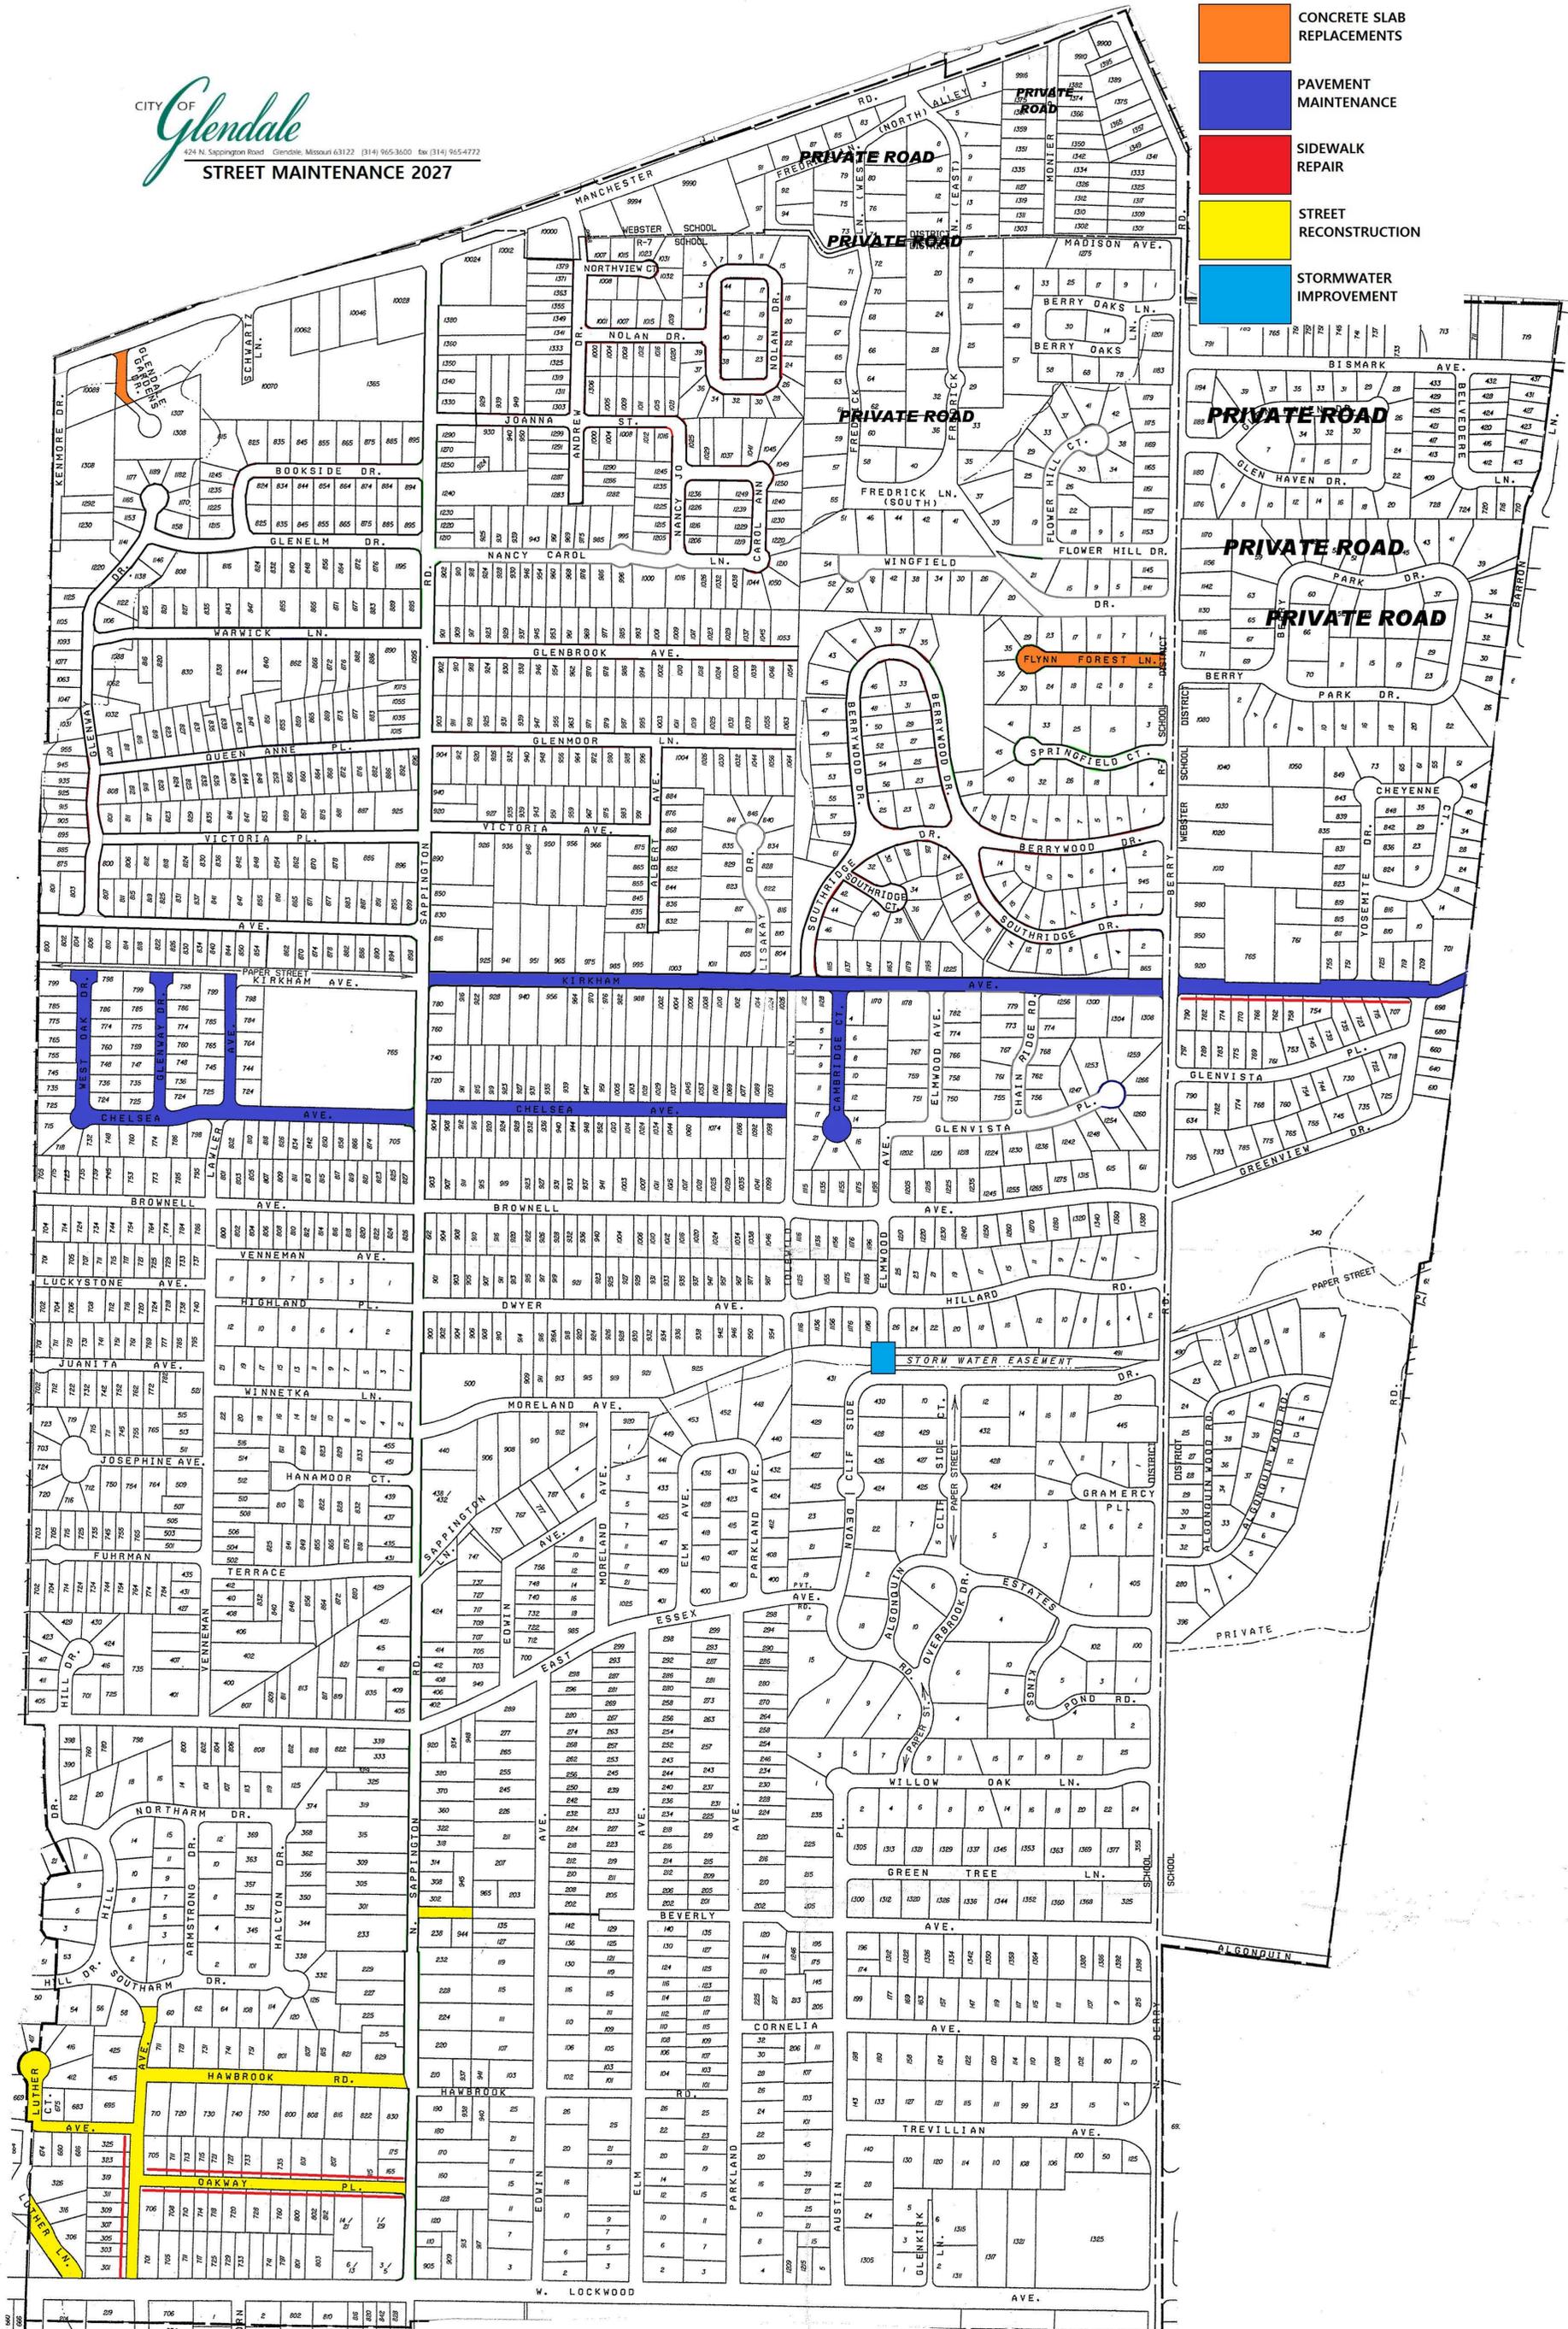

- The culvert under the intersection of Elmwood Drive and Clif Side Drive will be enlarged.
