Jeffrey Beaton
Chief of Police

Dear Residents of the City of Glendale:

It is with great privilege that I submit to you the 2018 Annual Report of the City of Glendale Police Department.

The largest amount of crime in Glendale continued to be the theft of items from unlocked vehicles. We strongly encourage our residents and their visitors to lock their vehicles at all times and to keep items of value out of sight or out of the vehicle entirely.

The Police Department began work on increasing the number of training hours officers are now mandated to receive within a three (3) year reporting period, as well as the agency accreditation process through the Missouri Police Chiefs Association.

This Annual Report contains many examples of our work to make the City of Glendale a safe place to live, work and play. The secret to our success, however, is the cooperation and support of our citizens, as well as our partnerships with schools, businesses and neighboring municipalities. This support begins here at home. Our citizens, through their elected officials, insure that our department is supplied with the necessary tools to assist us in the execution of our sworn duties.

On behalf of the men and women of the City of Glendale Police Department, I want to thank each of you for your support. We look forward to serving you in this and the coming years.

Respectfully,

Jeffrey Beaton

Jeffrey Beaton
Chief of Police

Department Mission and Purpose Statement

The Glendale Police Department constitutes an organization whose existence is justified solely on the basis of service to our community. It is the duty and privilege of each employee not only to protect our citizens from the criminal, but also to protect and defend the rights guaranteed under our structure of government. We must extend a strong determination to protect and support individual rights while at times providing for the security of persons and property in the community. We must enforce the laws of the State of Missouri and the City of Glendale with impartiality, compassion and professionalism.

*Administration of the
Glendale Police
Department*

Overview

The Glendale Police Department is a full service law enforcement agency providing quality protection and services to the citizens of Glendale, Missouri, twenty-four hours a day, seven days per week. The department is committed to the principles of Community Policing and to providing high quality public safety service to the nearly 6,000 residents and over 30 businesses of Glendale.

In addition to serving the Citizens of Glendale, the department provides support services to the City of Warson Woods, Missouri pursuant to contracts entered into between the cities. These services include radio dispatching services for their Police Department, 911 and telephone operator services, and incarceration facilities.

Chief of Police Jeffrey Beaton commands the Glendale Police Department. Chief Beaton's commitment to the residents of Glendale is to provide quality public safety service to the department's 5,925 employees, the citizens of Glendale. The department is comprised of eleven (11) sworn, commissioned police officers and ten (10) civilian employees (3 full-time and 7 part-time) who form two divisions, Patrol and Communications. These divisions are commanded by the Assistant Chief of Police, Captain Bob Catlett, a thirty-two (32) year veteran of the department. All commissioned officers are certified by the State of Missouri as having received a minimum level of training as mandated by state law to perform their duties. These officers are sworn to uphold the laws of the United States of America, the State of Missouri and the City of Glendale.

The civilian employees are assigned to the Communications Division and are supervised by Captain Bob Catlett. The civilian employees are primarily responsible for dispatching services for the police and fire departments. However, their duties are no less important than the police officers with whom they work. Our civilian employees are often the first City of Glendale representatives with whom our citizens come into contact. The civilian employees play a vital role in the day-to-day operation of the department. Their duties include the majority of clerical functions for the department as well as assisting with the operation of the Municipal Court. The City also employed a part time School Crossing Guard, Paul Dygard, until his retirement at the end of the 2017-2018 school year. After an exhaustive search to replace him resulted in no applications for the position, the City informed the schools we would no longer be able to provide Crossing Guard personnel. At that time, responsibility of the school crossings was transferred to the schools.

The Men and Women of the Glendale Police Department

Chief of Police

Jeffrey Beaton

Captain/Assistant Chief

Robert A. Catlett, Jr.

Sergeants

Daniel M. Phillips
Christopher J. Sarantakis
Bryan K. Melugin, Jr.

Sergeant Chris Sarantakis**

Sergeant Chris Sarantakis (L), City Administrator Ben DeClue (C),
and Mayor Rich Magee (R)

Special Duty Assignments

Many of our employees receive specialized assignments based on their experience, education and interests. The following employees have such assignments:

Robert A. Catlett, Jr.

Assistant Chief of Police, REJIS/MULES Agency Coordinator, City Information Systems Administrator, Director of Emergency Management, Crime Prevention and Community Policing Specialist, Certified Fire Investigator, Uniform Crime Report Compliance, City Public Information Officer, Crisis Intervention Team

Daniel M. Phillips

Detective Sergeant, Field Training Supervisor, Juvenile Officer, Police Department Representative: Police and Fire Pension Board of Trustees, Crisis Intervention Team

Christopher J. Sarantakis

Evidence Custodian, Procedure Manual, Crisis Intervention Team, Criminal Investigator, Cyber-Crime Investigator, Special Olympics Representative, Warner's Winter Warm-Up Coordinator, Major Case Squad Investigator

Bryan K. Melugin

Crisis Intervention Team, Field Training Officer

Mark E. McDaniel

Crisis Intervention Team

Steven K. DeBisschop

Firearms Instructor and Armorer, Crisis Intervention Team, Criminal Investigator

Matthew A. Mason

Evidence Officer, Crisis Intervention Team, Field Training Officer, Criminal Investigator, Taser Instructor, Breath Analysis Equipment Supervisor, Major Case Squad Investigator

Darren M. Hicks

Traffic Grant Administrator, Crisis Intervention Team, Standardized Field Sobriety Test (SFST) Instructor

Special Duty Assignments (continued)

Jason M. Horlacher

Firearms Instructor and Armorer, Crisis Intervention Team

James A. Burney

Crisis Intervention Team

Lisa R. DeStefano

Assistant to the Municipal Prosecuting Attorney, Monthly Report Preparation

Kathleen E. Sneed

"Help Us Help You" Coordinator

Professional Development

Overview

The Glendale Police Department is committed to providing its citizens with a highly trained police department. The State of Missouri requires officers to receive a minimum of 48 hours of training during each three-year period. Glendale Police Officers received an amount of training, which greatly exceeded the state requirement. Officers received **over 562.5 hours of "In-Service" training during 2018**, including mandated "Racial Profiling Training" for each officer. This training helps officers prepare for a variety of situations and circumstances.

In addition to the requirements for police officer training, the State of Missouri now requires a minimum level of training for Police, Fire and EMS Dispatchers. This requirement calls for 40 hours of training for new employees and a minimum of 16 continuing education hours of training for existing employees every two years. Dispatchers received **179 hours of training in 2018**.

Firearms Training

A significant component of an officer's continuing education is the demonstration of proficiency in the use of firearms. All officers are required to attend an annual refresher qualification course conducted by the Police Academy. During 2018, our officers completed **44 hours of training at the police academy firing range**, during which the officers fired a total of **6,000 rounds of handgun ammunition, 1,220 rounds of shotgun ammunition, and 1,100 rounds of rifle ammunition this year**. In addition to the police academy training, **officers also attended 328 hours of department sponsored training, firing an additional 1,285 rounds of handgun ammunition and 660 rounds of rifle ammunition at the Creve Coeur Police Department's Firing Range and the Eastern Missouri Correctional Center Firearms Range in Pacific, Missouri**. These practice sessions continue to enforce the confidence level of the officers in the handling of their weapons. We are fortunate to have two officers who are Certified Firearms Instructors. Officers Steve DeBisschop and Jason Horlacher supervise the department's firearms training.

Major Case Squad

Our department continued its involvement with the Major Case Squad of Greater St. Louis. Sergeant Chris Sarantakis and Detective Matt Mason are assigned to the Major Case Squad as Investigators. The purpose of the Major Case Squad is to assist law enforcement agencies in the investigation of homicides and the apprehension of those persons responsible for such heinous offenses. The Major Case Squad requires each investigator to attend an annual 8 hour training session. Through their advanced investigative skills, the Major Case Squad is able to boast a very high clearance rate. During 2018, Sergeant Sarantakis was called out to assist the Major Case Squad with a Homicide Investigation in Pine Lawn, and Detective Mason was called out to assist with a Homicide Investigation in Bridgeton.

Specialized Training

There is a great variety of specialized training members of our department receive throughout the year. Department managers and supervisors attended classes in Liability and Risk Management, Evidence-Based Policing, Crisis Intervention Team Training, Liability Issues in Law Enforcement, Grant Funding for Law Enforcement, Fair and Effective Internal Affairs Investigations, Preparing for a School Shooting, Extremist Intelligence Policing, Criminal and Forensic Investigations, Employment Law Training, Discipline Without Punishment, Peer Network for Small Agencies, Attracting Diverse Talent (recruitment of personnel), Sunshine Law Review, Legal Issues in Crime Prevention and Community Policing, Understanding Crime and Its Impact on Law Enforcement Personnel, Racial Profiling and Police Ethics, Law Enforcement and Labor Relations and Media Relations.

Police Officers attended specialized training in Homicide Investigations, Criminal Investigations, Interrogation and Interviews, Tactical Street Interrogations, Crisis Intervention Team Training, Crime Scene Techniques, Lifting and Documenting Fingerprints, Report Writing, Bomb Scene First Responder Training, Domestic Violence, U.S. Immigration and Customs Laws, Property and Evidence Room Management and Health, Fitness and Nutrition. Also found to be appropriate and beneficial to the officers were trainings in Identity Theft and Bank Cards, Juvenile Justice, Crimes Against Children, Protecting Children on the Internet, the Sex Offender Registry, DNA in Sexual Assault Investigations, Terrorism Incidents, Drug Interdiction, Impaired Driving/Standardized Field Sobriety Testing (SFST), Gangs and Vehicle Stops, Fatal Crash Forensics, Death Notifications and Personal Safety. As a result of the many "Active Shooter" events across the country, as well as the civil unrest in our area, our officers continued their training in Multi-Assault Counter Terrorism Action Capabilities (MACTAC) and Civil Disobedience Response Training (CDRT).

Dispatchers also attended specialized training in Fire Dispatching Techniques, REJIS Applications (law enforcement computer service), and Basic Dispatching Techniques.

Juvenile Offenses

A juvenile is a person under the age of 17. The St. Louis County Family Court handles juvenile law violations. An exception to this is traffic violations committed by someone 15-1/2 years of age or older. These traffic violations are handled through the Glendale Municipal Court.

The department reported the following number of contacts with juveniles:

Reports Involving Juveniles	1
Juveniles Taken Into Custody	0

Offenses Involving Juveniles:

Child Molestation	1*
-------------------	----

*Case was cleared through investigation. No charges were filed due to lack of evidence.

TOTAL CALLS FOR SERVICE – 2,790

CALLS FOR SERVICE BY DAY OF WEEK

CALLS FOR SERVICE BY TIME OF DAY

Traffic Enforcement Activities

A major responsibility of each Glendale Police Officer is the enforcement of the traffic laws of the City of Glendale and the State of Missouri. It is by and through this enforcement; we are able to reduce the loss of life, limb and property due to the careless and/or reckless operation of motor vehicles.

During 2018, the Department recorded sixty-seven (67) Traffic Crash (Accident) Reports involving one hundred sixty-seven (167) drivers. The following is a list of the most common facts:

Month	November (11), December (9), February (7), and April, May, June and July (6 each)
Day of Week	Friday (16), Monday (13), Thursday (9), Sunday, Tuesday and Saturday (8 each), Wednesday (5)
Time Occurred	8:00 AM to 9:59 AM (12), 2:00 PM to 3:59 PM (10), 4:00 PM to 5:59 PM (9), 12:00 PM to 1:59 PM (8)
Driver's Sex	Male (63) & Female (49)
Driver's Age	Under 16 (0), 16-19 (10), 20-29 (21), 30-39 (24), 40-49 (9), 50-59 (19), 60-69 (14), 70-79 (9), 80+ (6)
Location	State Maintained - Manchester Road (21) County Maintained – Berry & Lockwood (14) City Maintained (25) Private Property (7)

Traffic & Speed Surveys

During 2018, our department responded to numerous citizen requests for speed enforcement. These requests were addressed in a variety of ways, one of which was mere officer presence. The other was the deployment of our Speed Monitoring Display unit, which is capable of determining the number of vehicles, speeds, time of day, etc. The following is a sampling of the data collected from this unit:

<u>LOCATION</u>	<u># VEHICLES</u>	<u>LIMIT</u>	<u>AVE.</u>	<u># VIOLATIONS (+10 MPH)</u>
1100 block Lockwood	43,109	30	28.49	413 (0.958%)
1000 block Glenway	1,051	20	15.35	8 (0.761%)
500 block Venneman	7,635	20	18.54	44 (0.576%)
Berrywood Drive	2,572	20	16.49	3 (0.117%)
Winnetka Lane	4,212	20	17.24	74 (1.757%)

Driving While Intoxicated Enforcement

During their patrol duties, our officers issued citations for more than 1,102 hazardous moving violations in 2018. The most serious offense and usually the most difficult to identify is the intoxicated motorist. Nationwide programs have been launched in an effort to identify this potentially deadly driver. As part of our continuing effort to protect the motoring public, our officers attend seminars and classes provided by the police academy and experts in the area of D.W.I. identification.

In 2018, our officers made one (1) arrest for Driving While Intoxicated.

Motor Vehicle Crash Report Analysis

North Glendale School Partnership

The Police Department is an integral part of the City's partnership with North Glendale School. Through this partnership, the Police Department provides assistance to the staff and students of North Glendale in several ways. Some of the activities in which the Police Department shares a responsibility are providing traffic control for the Halloween and End of School Parades, and traffic control for the Annual Turkey Trot Run.

The highlight of our North Glendale School Partnership this year was being invited to participate in the Retirement Program Presentation for Principal, Dr. Todd Benben, who retired after 34 years of education professionalism, 12 of which were as Principal at North Glendale School.

(Left: Police Chief/Interim City Administrator Jeff Beaton presents Dr. Benben with a City Resolution honoring Dr. Benben on his retirement and 34 years of service. Right: Dr. Benben speaks to the school children and guests present at his reception.)

Crisis Intervention Team

The mission of the St. Louis Area Crisis Intervention Team (CIT) is to deliver positive law enforcement crisis intervention service to people with mental illness in the St. Louis area by:

1. Providing cooperative community partnerships of law enforcement, mental health service providers, consumers, families, and advocates.
2. Coordinating and enhancing services to people with mental illness and/or substance abuse problems through law enforcement based Crisis Intervention Teams.
3. Providing leadership to facilitate CIT programs and playing an integral role in the design of training for the CIT officers, and
4. Supporting success and continuing improvement of CIT.

Nationally, it is estimated that 3.5 Million Americans have severe mental illnesses and fewer than 50% receive even minimally adequate treatment. How many of these underserved people are in our community and how much patrol time do they require?

Policing has the unenviable reality of being, in many situations, the last intervention option available. When other "crisis intervention professionals" are unable to effectively deal with an escalating situation, they have the option of withdrawing and calling for assistance.

The police do not have the alternative of dialing 911 when situations intensify. The police are required to respond in circumstances where no other professional will attend. The officer is expected to have the ability to effectively communicate, counsel, mediate, advise, empathize, protect, and console. The officer is expected to be intelligent and have the physical capacity and willingness to forcibly intervene without malice. The police are expected to calmly and compassionately render assistance to the public while at the same time instilling fear into the criminal element of society.

This may seem an impossible endeavor; but to make the task even more daunting, the police officer is asked to perform these feats several times each day without complaint and many times without thanks.

All of our officers have received specialized training in dealing with those suffering from mental illness and are certified "Crisis Intervention Team" officers. Over the past several years, the department, as a whole, as well as Chief Jeffrey Beaton, Captain Bob Catlett and Police Officer Steven DeBisschop have been the recipients of the prestigious John J. McAtee Award, which is annually presented by the Mental Health Association of Greater St. Louis to officers who have "gone above and beyond the call of duty" in assisting those afflicted with mental illness. In 2015, Police Officer Jason Horlacher was recognized as one of region's Crisis Intervention Team Officers of the Year after he was able to de-escalate an incident involving a suicidal teen with a firearm and get him the mental health treatment he needed.

During 2018, thirteen (13) individuals were assisted as part of this program.

Missouri Prescription Pill and Drug Disposal Program (P2D2)

The Glendale Police Department joined with the U.S. Drug Enforcement Administration, Missouri American Water Company, the Metropolitan Sewer District, the St. Louis College of Pharmacy and local law enforcement agencies in an effort to educate the public about the best ways to dispose of prescription and non-prescription drugs to protect our health and our environment.

The mission of the program is to provide St. Louis County communities with a responsible method of pharmaceutical disposal that effectively reduces the misuse and abuse of pharmaceuticals, as well as, ensures the quality of water in our rivers and for future generations.

Through its collaborative efforts, the program provides a proper disposal collection bin for the police department to collect and properly dispose of unwanted and/or no longer needed prescription drugs. The collection bin is available to the community 24 hours a day, 7 days per week, 365 days per year.

In 2018, the Glendale Police Department collected over 600 pounds of prescription drugs from residents. Twice per year, the U.S. Drug Enforcement Administration collects all the collected drugs and properly disposes of them at an incineration site.

Glendale's P2D2 Collection Bin located in the Police Department Lobby

Racial Profiling Law Statistics

As required by Missouri State Statute, every traffic stop conducted by a police officer is documented with information including the reason, location, violation, and result of the traffic stop, along with the race, gender, and age of the driver.

The following results were reported by the Glendale Police Department during 2018:

Total Number of Traffic Stops	1,703	
Caucasian Drivers Stopped	1,443	(84.733%)
Asian Drivers Stopped	27	(1.585%)
Hispanic/Latino Drivers Stopped	19	(1.115%)
African American Drivers Stopped	200	(11.744%)
American Indian	1	(0.006%)
Other (unknown)	13	(0.763%)
Citations Issued	897	(43.746%)
Warnings Issued	1,134	(56.254%)

These results are submitted yearly to the Attorney General of the State of Missouri who compiles the information from all law enforcement agencies and submits an annual report to the Missouri General Assembly.

Other information gathered, as part of the mandate, is as follows:

Officer knew the Race of the Driver Prior to the Stop	337	(19.789%)
Glendale Resident	200	(11.744%)
Male Drivers	917	(53.846%)
Female Drivers	786	(46.154%)
Drivers Age:		
Under 18	110	(6.459%)
18-29	519	(30.476%)
30-39	414	(24.310%)
40+	660	(38.755%)
Location of Stops:		
US Highway	0	(0.0%)
State Highway (Manchester Road)	449	(26.365%)
County Roadway (Berry and Lockwood)	741	(43.511%)
Municipal Street	251	(14.739%)
Other	262	(15.385%)
Reasons for Stop		
Moving Violations	1,081	(63.476%)
Equipment Violations	245	(14.386%)
License (Expired Plates, Improper Registration, etc.)	441	(25.895%)
Investigation	57	(3.347%)

Crime Summary

The City of Glendale continued to experience a relatively low crime rate during 2018. Our major crime concern continues to be residential burglaries, theft of personal items from unlocked vehicles and garages, Identity Theft and Fraudulent Use of Credit/Debit Cards online. Citizens can take a more active role in reducing these thefts by remembering to lock their vehicle and garages when unattended. All suspicious activity should be reported to the Police Department immediately. An emerging trend is also the crime of Identity Theft. With the rapid growth of computers and electronic technology, a person's identity can be obtained by credit card receipts, driver's license numbers, "pre-approved" credit card applications, etc.

The following summarizes crimes reported to the Glendale Police Department during 2018:

Burglary

The crime of Burglary is defined as the unlawful entry of an inhabitable structure for the purpose of committing a crime. Burglary in the First Degree occurs when the structure is either occupied and/or the suspect commits the crime while armed. Burglary in the Second Degree occurs when the structure is unoccupied.

During 2018, two (2) Burglaries were reported; one of which was unfounded through the investigation, the other remains an open active case.

Assault

Six (6) Assault cases were reported this year. Four of these cases were domestic related and resolved with little or no court intervention; the other two remain as open active cases.

Fraud, Forgery, Worthless Documents

There were twelve (12) reports taken for fraudulent activity. All of these cases involved insufficient funds checks written to the City of Glendale for various fees, fines, etc., or local businesses for goods and services. All insufficient funds checks written to the City or local businesses were made good.

Property Damage

Two (2) cases of Property Damage were reported during 2018, one (1) of which remains as an open investigation.

Identity Theft

Identity Theft is the fastest growing crime in the United States. Over 1,000,000 Americans were the victims of Identity Theft in 2018. The department took sixteen (16) reports of Identity Theft during 2018.

Stealing

Stealing remains the crime most often reported to the Police Department. The department took twenty-nine (29) Stealing reports during 2018. The majority of these thefts involved thefts of items from unlocked vehicles.

Auto Theft

During 2018, two (2) vehicles were reported stolen from residences in the City of Glendale. The homeowners left the vehicle(s) unlocked, windows down and the key in the center console. Both vehicles were recovered several hours after they were stolen; however, they remain an open cases since there are no suspects at this time.

Emergency Management

In response to the September 11, 2001 incidents and other weather-related disasters, President George W. Bush signed Homeland Security Presidential Directive #5 which directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System which would provide a consistent nationwide approach for Federal, State, local, and tribal governments to work together more effectively and efficiently to prepare for, prevent, respond to, and recover from domestic incidents, regardless of cause, size, or complexity;

The collective input and guidance from all Federal, State, local and tribal homeland security partners has been, and will continue to be, vital to the effective implementation and utilization of a comprehensive NIMS.

In October 2005, Mayor Magee, with the approval of the Board of Aldermen, established the National Incident Management System (NIMS) as the City of Glendale's standard for incident management. The NIMS program required all elected officials and city employees to receive certain levels of training according to their respective positions. In the late Winter and early Spring, all employees and elected officials received their training to prepare them for what would soon be one of the largest disasters to strike the City of Glendale.

Under the direction of the City's Emergency Management Director, Police Captain/Assistant Chief Bob Catlett, all departments have worked together to maintain a high level of expertise in the management and coordination of disaster-type responses, such as major power outages, hazardous weather response, and event planning and management.

One core function of the City in 2018 was to get the citizens of Glendale and surrounding areas involved and educated in the Community Emergency Response Team (CERT) Program. The CERT Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.

In 2018, the City partnered with other agencies and began providing a county-wide training program hosted at the St. Louis Community College – Wildwood Campus. Two (2) Spring and two (2) Fall Sessions each were held with over 75 attendees completing the course. Captain Bob Catlett serves as a Facilitator/Instructor for this program.

Many of our 105 CERT Program graduates are always available to assist the City of Glendale at community events, such as the Annual Jazz Fast, Glendale Night Out and Ice Cream Social, and the Annual Turkey Day Run. We are very fortunate to have an active group of participants from our program!

Community Involvement

Overview

An involved police department and community make residents feel more secure, as well as increase the trust between the police and community. This involvement on both parts increases perception of police services and operations, thereby enjoying a low crime rate and an overall safe community in which to live, work and raise a family. Our citizens expect the highest quality police service from our department. Therefore, we review closely the methods and efficiency used to attain this goal.

The Glendale Police Department provides a host of services available to our residents, which embodies our great partnership. Through the involvement of our citizens, we are able to keep crime statistics at a reduced level thereby fostering a safer community, in which all can feel comfortable to live, work and raise a family.

The Glendale Police Department's list of services and involvement in the community continues to grow as we assess the needs of the community. Several of our officers have so excelled in this area that they have been called upon to assist officers and departments across the state. Captain Bob Catlett has been recognized on local, state and national levels as a Crime Prevention and Community Policing Specialist. He serves on several boards and commissions and is the Executive Director of the Missouri Crime Prevention Association. In this position, he is called upon to provide direction and instruction to officers and communities across the country in the areas of crime prevention and community policing. He has instructed on the local, state and national levels. Sergeant Chris Sarantakis is the department's coordinator in the city's participation in the Missouri Special Olympics Torch Run, which helps raise money for those less fortunate.

The following is a sampling of the many services the Glendale Police Department offers to enhance community involvement.

Neighborhood Watch

The Neighborhood Watch program is one of the most effective partnerships between a community and its police department. Information provided by residents trained in Neighborhood Watch is used to solve and prevent crime. Citizens involved in Neighborhood Watch take ownership of their neighborhood.

Neighborhood Watch programs target residential burglary, thefts from vehicles, vandalism, auto theft and personal safety. Neighborhood Watch organizes a neighborhood and teaches residents what is and how to report suspicious activity.

Special Olympics

In conjunction with 117 other law enforcement agencies across the state, we participated in the annual Law Enforcement Torch Run for Special Olympics.

The mission of the Torch Run is simple: to raise money to provide year-round sports training and Olympic style competition for children and adults with mental retardation or closely related developmental disabilities. The training provides the opportunity to develop physical fitness, demonstrate courage and experience the joy of being a winner in life. The money raised, over \$1,000,000.00, enables the Missouri Special Olympics to serve 22,000 athletes, which is 42% of Missourians with mental retardation, at no charge to the athletes or their parents.

Sergeant Chris Sarantakis coordinated our department's efforts, which raised over \$1,000.00 in donations from residents and businesses.

Glendale Night Out/Ice Cream Social

The twentieth annual "Glendale Night Out", sponsored by the City of Glendale and North Glendale School, was held on Friday, August 24, 2018. This year, the City combined Glendale Night Out and its Ice Cream Social into one event. The Police, Fire and Public Works Departments displayed and demonstrated their vehicles and equipment for the attendees. This event promotes crime prevention efforts throughout the City, as well as getting to know your neighbors in the community.

Block Parties

One of the most important avenues to meet our residents on a positive aspect is our acceptance of invitations to attend their block parties. During 2018, our officers attended fourteen (14) block parties in an effort to improve our police-community relations.

Municipal Court
Case Breakdown*

Communications Division

An Overview

The most important division of the Glendale Police Department is the Communications Division. It is by and through this division that residents contact us in person or by telephone to report crimes, ask for assistance, report fires, request medical attention, and in some cases, may just need to talk to someone.

Captain Bob Catlett supervises the Communications Division and is responsible for the direction of three (3) full-time and seven (7) part-time Dispatchers.

Our Dispatchers are responsible for answering all incoming non-emergency lines, three 911 lines, multiple radio channels, prisoner monitoring, and two computers with which they must show proficiency prior to working by themselves. They are also responsible for many clerical duties, such as processing court summonses, traffic tickets, police reports, preparing monthly crime statistics for city, county, state and federal agencies, collecting court payments, parking tickets, etc., and maintaining the Resident Emergency Contact List.

It is important that these employees receive proper recognition for the jobs that they do, as these employees are often the residents' first contact with the City when they need assistance.

During 2018, our Dispatchers dispatched 9,280 calls for service:

Calls for Glendale Police:	4,779 (51.50%)
Calls for Warson Woods Police:	3,754 (40.45%)

Total Police Calls Dispatched 8,533 (91.95%) or 23.38 calls per day

Calls for Glendale Fire	747 (8.05%)
-------------------------	-------------

Total Fire Calls Dispatched 747 (8.05%) or 2.05 calls per day

Information*

Vehicles

The Glendale Police Department has six vehicles in its fleet. There are three marked police cars, a semi-marked supervisor's vehicle, an unmarked detective's car, and an unmarked chief's car. We replace one vehicle per year to keep the fleet's mileage and maintenance costs in check.

We had been purchasing Chevrolets in the early and mid 2000's (2003 – 2009), however, have switched to Dodge Chargers over the last few model years (2009 – 2017). The following is a breakdown of the department's vehicle mileage during 2018:

Vehicle #	Year	Make & Model	Annual Mileage	Ending Odometer Reading	Comments
#3701	2014	Dodge Charger	9,312	63,977	Marked
#3702	2014	Dodge Charger	7,032	55,240	Marked
#3703	2015	Dodge Charger	16,292	68,472	Marked
#3704	2017	Dodge Durango	20,562	27,305	Marked
#3705	2016	Ford Explorer	16,254	48,783	Chief
#3706	2009	Chevrolet Impala	2,351	87,832	Unmarked
		Total Mileage	71,803		

The following is a breakdown of the 2018 maintenance costs on each vehicle.

Vehicle #	2018 Maintenance Costs	Total Maintenance Costs	Maintenance Years
#3701	\$ 1,209.78	\$ 6,912.87	5
#3702	\$ 1,739.69	\$ 9,839.72	5
#3703	\$ 7,015.78	\$ 12,208.28	4
#3704	\$ 680.98	\$ 4,419.65	2
#3705	\$ 162.68	\$ 1,671.59	3
#3706	\$ 1,538.61	\$ 8,664.82	10
Total	\$ 12,347.52	\$ 43,716.93	29

We purchase our fuel on a gas company commercial credit card. Therefore, the Federal Tax charges are not included on our monthly bill.

Fuel Costs:

Total Gallons Purchased	7,229.436
Total Miles Patrolled	71,803
Average Miles per Gallon	10.068
Total Fuel Costs	\$ 17,955.72
Average Fuel Costs per Gallon	\$ 2.484

Grants Received by the Department

The Police Department continually strives to obtain State and Federal funding through various grant opportunities. These grants assist the department in supplementing salary and equipment costs. The following is a list of grants awarded in 2018:

<u>Grantor</u>	<u>Description of Grant</u>	<u>Amount</u>
U.S. Dept. of Justice	Bullet Proof Vest Partnership	\$ 800.00
Highway Safety	DWI Enforcement	\$ 850.00
Highway Safety	Drive Sober or Get Pulled Over Program	\$ 800.00
Highway Safety	July 4 th DWI Enforcement	\$ 400.00
Highway Safety	Seat Belt Violation Enforcement	\$ 1,000.00
MODOT	Hazardous Moving Violation Enforcement	\$ 5,500.00
St. Louis Area Police Chiefs Association	Assist with Accreditation Costs	\$ 1,000.00
St. Louis Regional Safety Blueprint Coalition	Traffic Enforcement & LED Stop Signs	\$ 6,000.00
St. Louis Regional Traffic Safety Council	Portable Breath Tester	\$ 395.00
Mo. Police Chiefs	Live Scan Maintenance & Support	\$ 4,969.00
Total Grant Awards for 2018		\$ 21,714.00
